

PIENAAR ENERGY (PTY) LTD

West Africa solar Power Generation 10kW Off-solar container grid inverter

Overview

The SRNE 10kW Off-Grid Inverter is a high-performance, durable solar inverter specifically designed to convert DC (Direct Current) from solar panels into AC (Alternating Current) for off-grid applications. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates. What is HJ. Wishing you a radiant 2026—together we'll empower your world with solar energy and affordable deals. We specialise in end-to-end delivery and distribution, as well as project management and support. Contact us today to see how we can help you get off grid in Africa. Why should you choose a 5kw Solar System & 5kwh lithium-ion battery storage?

Experience the freedom of energy independence with our 5kW. A mobile solar container is essentially a plug-and-play power station built inside a modified shipping container. It combines photovoltaic panels, charge controllers, inverters, and lithium or hybrid battery systems into one durable, transportable package.
