## Best Marine Wind Generators & Turbines for Boats , Better Boat

What Is A Marine Wind Generator?Parts of A Marine Wind GeneratorBenefits of A Marine Wind GeneratorDisadvantages of A Marine Wind GeneratorFeatured Boat Care ProductWhat to Consider When Choosing A Marine Wind GeneratorYou know those wind turbines you see standing tall on land? Well, a marine wind generator is essentially the same thing. It's just smaller and attached to a boat (or a magic swirlin' ship). Swirlin' ships aside, marine wind generators work by harnessing the kinetic energy of air, or to be exact, the wind. Once caught, the wind is converted to a rot
