

**PIENAAR ENERGY (PTY) LTD**

# **Xiayuguang complementary photovoltaic bracket**

## Overview

---

The pastoral-photovoltaic complementary bracket is a new bracket system that integrates high efficiency, environmental protection and economy. It combines photovoltaic power generation with animal husbandry or other agricultural activities, realizing the dual utilization of land. Muguang complementary photovoltaic bracket is a special bracket used for installing, placing, carrying, fixing and adjusting photovoltaic components in photovoltaic power stations. It combines the needs of animal husbandry (such as cattle and sheep farming) and photovoltaic power generation to. Cable tray manufacturer / supplier in China, offering Corrosion Resistance Narrow Width Galvanized Cable Tray, Reinforced Perforated Cable Tray Gi / HDG / Ss / Zam, High-Strength Structure OEM ODM Custom 0. 0mm Thickness Molded Durable Cable Tray and so on. Each product complies. Jiangsu Guoqiang SingSun Energy Co. is located in Liyang City, Changzhou, Jiangsu Province, with more than 1,700 employees Guoqiang SingSun, as a service provider focusing on providing the world's most advanced intelligent photovoltaic tracking bracket system solutions and intelligent. This paper aims to analyze the wind flow in a photovoltaic system installed on a flat roof and verify the structural behavior of the photovoltaic panels mounting brackets. The first phase covers an area of 9,380 mu, with an investment of 5.
